

# Canada and New England Fall Foliage Bridge Cruise

with John Roberts

22 September to 6 October 2024

This cruise from Montreal to New York on *Seabourn Quest* takes us along the St Lawrence River to historic Quebec before we sail the west coast of North America to visit picturesque towns in the Canadian Maritimes, then Boston and Cape Cod.

The spectacular fall colours of Montreal, Quebec and New England will be on display on this wonderful cruise. After a few days in Montreal, we board the luxurious *Seabourn Quest* to sail down the St Lawrence River, visiting charming Quebec, scenic Saguenay Fjord and Charlottetown on Prince Edward Island. We then cruise the North Atlantic coast for an overnight stop in historic Halifax in Nova Scotia before visiting Boston and arty Provincetown on Cape Cod. We disembark in New York where you may wish to extend your holiday.

With its uncrowded six-star ships and exceptional service, Seabourn is consistently regarded by travel magazines as the world's best small ship cruise line. *Seabourn Quest* has just two hundred and twenty-nine elegant ocean-front suites, most with private verandas, and all with ensuites with separate bath and shower, minibars stocked with your beverage preferences and luxury amenities. The ship's facilities include a luxurious spa, two swimming pools, six bars and four restaurants with open seating and no surcharges for fine dining.
